March Newsletter 2014

Happy Birthday!!

We would like to wish

Aditi Thapa 29th March
Alexandra Pereira 31st March
Monica Martinez 13th April
Pam Bellis 25th March
Rukaya Ahmed 3th April
Very Happy Birthdays!

Congratulations!!

Our stars of the month are.....Tony Okoye, Ernest Obeng, Funke Kayode - aliu and Aditi Thapa. These 4 have been Hard working, Friendly, Flexible and have even been requested back by care homes. So as a treat we took the out to Cosmo's!!

Important!

If you do not feel well enough to do your shift please inform us as soon as possible, We have had a few instances this month when a care home has called us to say staff members have not turned up. This is completely unacceptable, Not only does it make the company look bad but also yourselves. Of course if you or your children are ill you cannot help that, But you can inform as soon as possible. If a carer drops calls consistently then we will have to re think about giving them calls.

Please not this is only for certain carers, and the majority of you are doing extremely well.

We would like to congratulate everybody on another successful month, we really appreciate all of your hard work. Also we would like to welcome a few new carers and nurses to WellBeing Healthcare and trust you will all help them adjust to there new roles.

Remember to bring your time sheets in by 10am every Tuesday to get paid that Friday!

We would like to let you all know that Arran Hasdell, one of our recruitment consultants, has left. Some of you may not have met Arran but we wish him all the best in his future.

We are currently interviewing for a new recruitment consultant and will inform you all when they arrive!

Office Staff

Muhammad Rafiq - Director
Attia Ahmed - Recruitment Consultant
Charlotte Blackman - Recruitment Consultant
