### Congratulations!!

Our star of the month this month is Carissa Parsons, she has only recently joined us but has already shown what a great carer she is! She has also been requested by a care home to undergo more training and has now become a senior carer.

### Important!

Do not accept shifts if you have plans or are unable if you can make it. If a carer or nurse drops calls consistently then we will have to re think about giving them calls.

**Please note this is only for certain carers, and the majority of you are doing extremely well.**

### Training

We would like to announce that we are now registered with an online training provider, if you feel you would benefit with some more training then give us a call or pop into the office. The courses are £5 each and you get a certificate at the end of the course.

We would like to congratulate everybody on another successful month, we really appreciate all of your hard work.

Also we would like to welcome a few new carers and nurses to WellBeing Healthcare and trust you will all help them adjust to their new roles.

**Remember to bring your time sheets in by 10am every MONDAY to get paid that Friday!**
