Please Note!

Recently a lot of staff members have started double booking themselves in for shifts, if you have already been booked in for a shift but receive a message about another shift you are to let the office know that you are already booked in and we can work something out. The office staff do not always realise that you might already be booked in for somewhere else!

If any carers/nurses need the office staff to arrange transport to a shift for them there will now be a charge and this will be agreed with them on the day. If you have any questions about this please do not hesitate to contact the office.

If you need to cancel a shift make sure you give us at least 12 hours notice or you could be charged up to £50.

If you no you will be away at any point in the next couple of months please let us know well in advanced!

Festive Season

As we all know the festive season is approaching very quickly! If you know you will be available for shifts over this period please let us know as soon as possible as they will be given out on a first come first serve basis! We would also like to invite everyone for Christmas food and drinks in the office on the following dates:

Monday 21st December: 9am-4pm

Tuesday 22nd December: 9am-1pm

Wednesday 23rd December: 9am-12pm
